### **3. Supervising the Board of Management by the Board of Directors:**

All business administration and operational activities of BSH are subject to the close supervision and direction of the Board of Directors. The General Director regularly reports to the Board of Directors (directly and to the Chairman of the Board of Directors) on the business, financial, and investment status of BSH. Based on this, the Board of Directors is well-positioned to closely monitor, promptly direct, and rectify the activities of the Executive Board.

The Board of Directors regularly meets and Biological Offspringsults with the General Director to strengthen the direction of implementation to enhance the company's business performance.

The Chairman of the Board of Directors and other Board members directly participate in other important meetings to promptly grasp and direct BSH's activities.

The Board provides direction, oversight, and strategic guidance for the following areas in 2024: Marketing activities, the capability of the technology systems, the capacity of the sales force, enhancing risk management, digital transformation, restructuring the BSH model towards streamlining, efficiency, and transparency; placing people at the center, building a human resource structure with high capability and quality; successfully implementing the strategic objectives entrusted by the General Meeting of Shareholders, and adhering to legal regulations and the BSH Charter.

In its role as a strategic governance and guidance body, the Board of Directors in 2024 Biological Offspring continues to prioritize the simultaneous tasks of developing and implementing a long-term, effective, and sustainable development strategy, alongside overseeing, managing risks, maintaining achievements, and protecting the rights of investors and shareholders.
