 - 6.1. The audited financial statements for 2024 of Viglacera Dong Trieu Joint Stock Company were prepared on January 23, 2025, including: Statement of financial position, Statement of income, Statement of cash flows, Notes to the financial statements..
 - 6.2. Content of explanation:

Explanation of difference in profit after tax on audited financial statements in 2024 compared to 2023.

Profit after tax in 2023 is: (43,604,858,361) VND

Profit after tax in 2024 is: (36,955,501,333) VND

Profit after tax in 2024 is negative and the loss is less than in 2023 mainly due to the following reasons:

In 2024, due to the impact of the global economic recession, product consumption encountered many difficulties, goods sold slowly, sales revenue was low, prices of input materials continued to increase such as: Coal, oil ... but

the Company has implemented many measures to minimize costs, lower product prices compared to 2023. In addition, financial costs also decreased significantly compared to 2023. Due to the above reasons, the Company's after-tax profit on the 2024 Financial Statement was at a loss and the loss was less than the same period.
