Authorized person to disclose information:

Mr : Ngo Truong An

Lao Cai Mineral Exploitation and Processing Joint Stock Company would like to explain to the State Securities Commission and Hanoi Stock Exchange about the profit after tax in the Statement of Income for the fourth quarter of 2024 compared to the same period last year as follows:

**+ For the Separate Company's financial Statement for the fourth quarter of 2024 compared to the same period last year :**

- Profit after corporate income tax on separate financial Statement Quarter IV/2024 : 524,723,353 VND

- Profit after corporate income tax on separate financial Statement Quarter IV/2024 : 497,196,518 VND

Profit on the separate company's financial statements in the fourth quarter of 2024 is higher than the previous year because: In this quarter, the unit's gross profit from sales and service provision is higher than the previous year.

**+ For the Consolidated Company's financial Statement for the fourth quarter of 2024 compared to the same period last year :**

- Profit after corporate income tax on consolidated financial Statement Quarter IV/2024 : 339,527,001 VND

- Profit after corporate income tax on consolidated financial Statement Quarter IV/2024 : 2,235,521,074 VND

Consolidated profit in Q4/2024 decreased compared to consolidated profit in Q4/2023 because in Q4/2024, both the subsidiary and the parent company had lower sales and service revenue compared to the previous year.

Above is our Official Dispatch explaining about the profit after tax in the Statement of Income for the Fourth Quarter of 2024 compared to the same period last year. We would like to report to the State Securities Commission and the Hanoi Stock Exchange for information.

**Best Regards!**
