12. Information disclosure content: Dong Nai Transport Construction Joint Stock Company explains why the net income in the income statement is transferred from the profit of the previous period to the loss of the current period in the consolidated financial statements.

Business performance in the consolidated financial statements for the Q4 of 2024

No.	Items	Q4/2024 (VND)	Q4/2023 (VND)	Difference (VND)
1	Revenue	52.029.024.437	59.410.063.153	(7.381.038.716)
2	Net income	(1.779.525.441)	31.222.593.177	(33.002.118.618)

The net income in the Consolidated Financial Statements for the fourth quarter of 2024 decreased by VND 33,002,118,618 compared to the same period in the fourth quarter of 2023, mainly due to the decrease in financial profit in this period compared to the previous period, leading to a corresponding decrease in net income.

By this document, the Company respectfully explains to the Hanoi Stock Exchange and the State Securities Commission about the decrease in net income in the Consolidated Financial Statements for the fourth quarter of 2024.

Sincerely!

To:
