12	Other expenses	462.048.565	2.592.115.106	(2.130.066.541)	-82,17%
13	Other profits	739.188.612	(2.387.020.567)	3.126.209.179	-130,97%
14	Total net profit before tax	211.541.355.314	80.539.138.668	131.002.216.646	162,66%
15	Current corporate income tax expenses	43.192.069.386	11.558.264.512	31.633.804.874	273,69%
17	Profit after corporate income tax	168.349.285.928	68.980.874.156	99.368.411.772	144,05%

Profit after corporate income tax this year is 168,35 million VND, an increase of 99,37 million VND compared to the same period last year, equivalent to an increase of 144% due to:

- Revenue from sales and services rendered increased by 4,91% due to the average selling price this period increasing compared to the same period last year (average selling price this period is 13,36 million VND/ton; the same period in 2023 is 12,65 million VND/ton).

- Revenue deductions this period decreased by 48,58% mainly due to the Company's export activities. Sales and service revenue increased while revenue deductions this period decreased. so net revenue from sales and service provision increased by 5,79% compared to the same period last year.

- Financial income this period decreased by 7,79% compared to the same period last year mainly due to a decrease in income from bank deposit interest and a decrease in interest from deferred payment sales.

- Financial expenses this period decreased by 24,38% compared to the same period last year mainly due to a decrease in bank interest expenses and payment discounts.

- Selling expenses this period decreased by 25,21% compared to the same period last year mainly due to reduced shipping costs and reduced export commission fees due to the company's direct export.

- General administrative expenses this period increased slightly (3%) compared to the same period last year.

- Other income this period increased by 485,7% compared to the same period last year due to the receipt of compensation for losses after the storm and the liquidation of fully depreciated fixed assets...

- Other expenses this period decreased by 82,17% compared to the same period last year.

Thus in 2024, the Company's production and business situation was stable, the indicators of sales revenue and other income increased while most of the expenses in the period decreased compared to the same period last year. The result of profit after tax in 2024 increased by VND 99.368 million equivalent to an increase of 144% over the same period last year.

INDEPENDENT AUDITORS' REPORT

To: **Shareholders**
Boards of Management, Supervisors and General Directors
DAP – VINACHEM Joint Stock Company

We have audited the accompanying financial statements of DAP - VINACHEM Joint Stock Company as set out on pages 06 to page 36, prepared on February 26, 2025 including the Balance sheet as at 31/12/2024, the Income Statement, and Cash flows Statement for the year then ended, and Notes to the financial statements.

Responsibility of the Board of General Directors

The Company's Board General of Directors is responsible for the true and fair preparation and presentation of these financial statements in compliance with Vietnamese Accounting Standards, Vietnamese Accounting System and the statutory requirements relevant to the preparation and presentation of the financial statements, and for the internal control as the Board of General Directors determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Responsibility of Auditors

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Vietnamese Standards on Auditing. These Standards require us to comply with the Standards and codes of ethics, to plan and perform the audit to obtain reasonable assurance as to whether the Company's separate financial statements are there any significant errors or not.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The audit procedures are selected based on the auditor's judgment, including the assessment of risks of material misstatement in the financial statements due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design appropriate audit procedures to the actual situation, which is not intended to give an opinion on the effectiveness of the Company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Auditors' Opinion

In our opinion, the accompanying financial statements gives a true and fair view of, in all material respects, the financial position of DAP – VINACHEM Joint Stock Company as at 31 December 2024 and the results of its operations and its cash flows for the year then ended in accordance with Vietnamese Accounting Standards, Vietnamese Enterprise Accounting System and the statutory requirements relevant to preparation and presentation of the financial statements in Vietnam.

Emphasis of matters

As stated in the Notes to the Financial Statements, implementing the direction of the Deputy Prime Minister, Official Letter No. 1001/BTC-TCDN dated 15/9/2017 of the Ministry of Finance and Official Letter No. 1757/HCVN-TCKT dated 21/9/2017 of Vietnam Chemical Group on adjustment of depreciation of fixed assets (corresponding to the depreciation reduction of 40% in 2017, 30% in 2018, and 20% in 2019 of the annual deduction rate according to the straight-line method), the depreciation reduction for these three years is allocated equally over the remaining useful life of fixed assets.

Our audit opinion is not related to this matter.

Other matters

The Company's financial statements for the fiscal year ended 31/12/2023 have been audited by other auditors and auditing firm. The audited report No. 0703.02-24/BC-TC/VAE, issued on 07/03/2024, expresses an unqualified opinion.

4. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Financial investments

Held to maturity investments

Held to maturity investments are those that the Company has intention and ability to hold until maturity. Held to maturity investments includes: term bank deposits with original maturities of more than 3 months.

Held-to-maturity investments are initially recognized at cost including the purchase cost and other transaction costs. Interest from these held-to-maturity investments after acquisition date is recognized in the profit or loss on the basis of the interest income to be received.

Interests arising prior to the Company's acquisition of held-to-maturity investments are recorded as a decrease in the costs as at the acquisition time.

Other investments are recorded at cost, including purchase price plus directly attributable acquisition costs. After the initial recognition, these investments are measured at cost less allowance for diminution in value of investments.

Allowance for losses of held to maturity investments, investments in equity instruments of other entities is made when there is apparent evidence for impairment in value of the investments as at the balance sheet date.

Receivables

The receivables comprise the customer receivables and other receivables. Receivables are recognized at the carrying amounts less allowances for doubtful debts.

Allowance for doubtful debts is assessed and made for overdue receivables that are difficult to be collected, or the debtor is unable to pay due to dissolution, bankruptcy or similar difficulties.

Inventories

Inventories are measured at the lower of cost and net realizable value. Cost of inventories comprise costs of direct materials, direct labor, and general operation (if any) incurred in bringing the inventories to their present location and conditions. Net realizable value is the estimated selling price of inventory items less all estimated costs of completion and costs of marketing, selling and distribution. Inventory is recorded using the perpetual inventory method and valued using the weighted average method.

Allowance for impairment of inventories is made when there is reliable evidence of impairment of the net realizable value compared to the history cost of inventories.

Tangible fixed assets and Depreciation

Tangible fixed assets are stated at history cost less accumulated depreciation. Historical costs of tangible fixed assets include all the expenses paid by the Company to bring the asset to its working condition for its intended use.

When a tangible fixed asset is sold or disposed, its historical cost and accumulated depreciation are written off, then any gain or loss arising from such disposal is included in the income or the expenses during the year.
