Net profit after tax	(98,657,750)	(270,971,823)	-230%

Reason:

The Company continues to face significant difficulties due to general market conditions and the loss of rights to distribute core products, which has led to a sharp decline in business activities. Revenue was insufficient to cover expenses, despite the Management Board's efforts to reduce costs to a minimum. Additionally, costs related to book publishing, office and warehouse rentals, and other operational expenses have all increased, resulting in a significant decrease in profit.
