No. 44/ĐNB-HĐQT
Re: Explanation of profit after tax
difference compared to the same period.

Ho Chi Minh City, May 13rd, 2025.

To:

- The State Securities Commission;
- Ha Noi Stock Exchange.

Pursuant to the regulations of Circular No. 96/2020/TT-BTC dated November 16, 2020 of the Ministry of Finance on guiding information disclosure in the securities market. South-East PetroVietnam Fertilizer and Chemicals Joint Stock Company (PVFCCo PSE) explained that profit after tax in Q1/2025 increased by more than 10% over the same period in 2024 as follows.

- Reason: In Q1/2025, Consumption volume increased, the price of fertilizer products will increase over the same period in 2024, so the gross profit margin of the Company's main fertilizer products will increase over the same period. Total gross profit and profit after tax increased by 120% over the same period.

Website address for posting the Company's financial statements for the 1st quarter of 2025: <http://www.pse.vn/>

We hereby affirm that the information disclosed above is true and we fully assume legal re-sponsibility for the content of the disclosed information.

Sincerely!

Recipients:
