ANNOUNCEMENT

Re: Global Electrical Technology Corporation signs M&E contract package for the TT1 Central Station Project of Viettel – Southern Region.

To: Hanoi Stock Exchange (HNX)

State Securities Commission of Vietnam (SSC)

Dear Shareholders of Global Electrical Technology Corporation

Global Electrical Technology Corporation (Ticker: GLT) would like to respectfully announce that:

On March 13, 2026, Global Electrical Technology Corporation, in consortium with Cotecons Construction Joint Stock Company (TT1 – H2T Consortium), signed a contract with Viettel Networks Corporation for a bid package under a key telecommunications infrastructure construction project in Ho Chi Minh City. The details are as follows::

- **Package name:** Supply of materials and equipment, and execution of construction and installation of the M&E system for the data center – Phase 1.
- **Project:** Investment and construction of the TT1 building in H158 Area, Ho Chi Minh City, serving as the Southern regional hub station.
- **Authorized Employer/Project Owner:** Viettel Networks Corporation.
- **Contract value:** VND 449,793,102,713 (Global Electrical Technology Corporation undertakes 45% of the package value, equivalent to VND 203,064,992,370).
- **Contract type:** Lump-sum contract.
- **Implementation period:** 270 days from the contract effective date.

This contract package is significant in affirming Global Electrical Technology Corporation's position in delivering large-scale M&E systems for national telecommunications and Data center infrastructure. We are committed to mobilizing all necessary resources to complete the project on schedule and to meet the highest standards required by our partner, Viettel.

We respectfully inform the relevant Authorities and our valued Shareholder.
