4. Contents of the published information:

The audited 2025 separate financial statements, prepared on March 24, 2026, have a difference in Profit after tax greater than 10% compared to 2024. Doan Xa Port Joint Stock Company (DXP) would like to explain as follows:

The parent company's profit after tax in 2025 reached VND 115,803,398,484, an increase of VND 62,020,319,277 compared to 2024, due to the following reasons:

The Company's cost of goods sold-to-revenue ratio decreased by 13%, due to reductions in direct costs, resulting in an increase of VND 87,265,189,223 in gross profit from sales and service provision in 2025 compared to the previous year.

The ratio of selling and administrative expenses to revenue in 2025 increased by 4.2% compared to the same period of the previous year.

- Financial expenses/revenue ratio in 2025 decreases by 1% compared to the same period last year.

Therefore, this results in the Company's profit after tax in 2025 increasing by 115% compared to 2024.
