REPORT OF THE EXECUTIVE BOARD (Continued)

AUDITORS

CPA VIETNAM Auditing Company Limited - Northern Branch has audited the Big Group Holdings Investment Joint Stock Company's Separate Financial Statements for the year ended at 31 December 2025.

THE EXECUTIVE BOARD'S RESPONSIBILITY

The Executive Board is responsible for preparing the Separate Financial Statements for the fiscal year ended 31 December 2025, which give a true and fair view of the Company's financial position as at 31 December 2025 and of its results and cash flows for the fiscal year then ended. The Executive Board believes there were no contingent events that might affect the going concern of the Company. In preparing those Separate Financial Statements, the Executive Board is required to:

- Select suitable accounting policies and then apply them consistently;
- Make judgments and estimates that are reasonable and prudent;
- State whether applicable accounting standards have been followed, subject to any material departures disclosed (if any) and explained in the Separate Financial Statements;
- Prepare the Separate Financial Statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business;
- Design, implement and maintain an effective internal control system for the purpose of preparing and presenting the Separate Financial Statements to minimize errors and frauds.

The Executive Board is responsible for ensuring that proper accounting records are kept which disclose, with reasonable accuracy at any time, the financial position of the Company and to ensure that the accompanying Separate Financial Statements comply with Vietnamese Accounting Standards, Corporate Accounting System of Vietnam and the prevailing regulations. It is also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Executive Board confirms that the Company has complied with the above requirements in preparing the Separate Financial Statements.

On behalf of the Board of Directors,

Vo Phi Nhat Huy

Chairman of BOD

Hanoi, 31 March 2026

INDEPENDENT AUDITOR'S REPORT

To: The shareholders; The Board of Directors and Executive of
Big Group Holdings Investment Joint Stock Company

We have audited the accompanying Separate Financial Statements of Big Group Holdings Investment Joint Stock Company prepared on 31 March 2026, as set out from page 05 to page 33 including: Balance sheet as at 31 December 2025, Income Statement, Cash Flow Statement and Notes to the Separate Financial Statements for the fiscal year then ended.

Responsibilities of the Management Board

The Management Board are responsible for the preparation and fair presentation of the Company's Separate Financial Statements in accordance with Vietnamese accounting standards, Vietnamese Corporate accounting system and other prevailing legal regulations, and for such internal control as the Directors determines is necessary to enable the preparation of Separate Financial Statements that are free from material misstatement, whether due to fraud or errors.

Responsibilities of auditors

Our responsibility is to express an opinion on these Separate Financial Statements based on our audit. We have conducted our audit in accordance with Vietnamese Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Separate Financial Statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Separate Financial Statements. The procedures selected depend on the auditors' judgments, including the assessment of the risks of material misstatements on the Separate Financial Statements, whether due to fraud or errors. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the Separate Financial Statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Directors, as well as evaluating the overall presentation of the Separate Financial Statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Unqualified audit opinion

In our opinion, in all material respect, the accompanying Separate Financial Statements give a true and fair view of the financial position of Big Group Holdings Investment Joint Stock Company as at 31 December 2025, and of its financial performance and its cash flows for the fiscal year then ended in accordance with the Vietnamese Accounting Standards, Vietnamese Corporate Accounting System and other prevailing legal regulations on preparation and presentation of the Separate Financial Statements.

NOTES TO THE SEPARATE FINANCIAL STATEMENTS (Continued)

For the fiscal year ended 31 December 2025

4. ACCOUNTING POLICIES APPLIED (Continued)**Basic for preparing separate financial statement (Continued)**

Separate Financial Statements are not intended to present the financial position, operation results and cash flows in accordance with accounting principle and practices generally accepted in countries and jurisdictions other than Vietnam.

Accounting estimates

To comply with Accounting Standards, Accounting System and regulations in Vietnam, the Executive Board have been required to have the estimates and assumptions influence on liability, assets, contingent liability and assets as at the date of the Separate Financial Statements as well as revenue and expenditure in the fiscal year. Although the accounting estimates are made with the knowledge of the Executive Board, actual business results could differ from those estimates and assumptions.

Accounting principle of Cash and cash equivalents

Cash consist of cash on hand and cash at banks.

Cash equivalent comprise current investments with maturity of less than three months can be transferred easily to cash without any risks in transferring since the date of purchase.

Accounting principle of Financial investments***Investments in Subsidiaries***

Investments in subsidiaries over which the Company holds control are presented at cost in the separate financial statements.

Distributions of profits received by the Company from the accumulated profits of the subsidiary after the date the Company acquires control are recognized in the Company's operating results for the year. Other distributions are considered as recoveries of investments and are deducted from the investment value.

Other investments

Other investments are presented at cost in the Separate Financial Statements.

Distributions of profits received by the Company from the accumulated profits of other companies after the date of investment are recognized in the Company's income statement for the fiscal year. Other distributions are considered as a recovery of investments and are deducted from the investment value.

Provision for loss of investments

Provision for devaluation of investments in other entities is made when there is solid evidence showing a decline in the value of these investments at the balance sheet date. An increase or decrease in the provision account balance is recognized as a financial expense in the Income Statement.

Accounting principle of receivables

Receivables are amounts that can be collected from customers or other entities. Receivables are presented in the Separate Financial Statements at the carrying amounts less the estimated provision for doubtful debts.

The provision for doubtful debts are assessed and considered for receivables that are overdue and difficult to collect, or receivables that the debtors is unable to payment due to liquidation, bankruptcy or similar difficulties.

NOTES TO THE SEPARATE FINANCIAL STATEMENTS (Continued)

For the fiscal year ended 31 December 2025

4. ACCOUNTING POLICIES APPLIED (Continued)**Accounting principle of Inventories**

Inventories are measured at the lower of cost and net realizable value. Cost of inventories includes direct materials, direct labor and overheads, if any, that have been incurred in bringing the inventories to their present location and condition or includes costs of purchase and other costs directly attributable to the acquisition of inventories.

The cost of inventories is determined using the weighted average method.

Net realizable value is determined as the estimated selling price less the estimated costs of completion and the costs to be incurred in marketing, selling and distribution. Inventories are accounted for using the perpetual inventory method and are valued at cost using the weighted average method.

An inventories provision is made when there is reliable evidence of a decline in the net realizable value compared to the original cost of the inventory.

Accounting principle and depreciation of Tangible fixed assets

Tangible fixed assets is measured at historical cost less accumulated depreciation. The historical cost of tangible fixed asset comprises of its purchase price and any directly attributable costs to bring the tangible fixed asset into working condition for its intended use.

Tangible fixed assets are depreciated using the straight-line method over their estimated useful lives as follows:

	Years
Buildings and structures	06 - 25 years
Means of transport	06 - 12 years

Accounting principle and depreciation of Intangible fixed assets

The Company's intangible fixed assets are land use rights and computer software, which are stated at cost less accumulated depreciation.

The purchase price of new computer software that is not an integral part of the related hardware is capitalized and accounted for as intangible fixed assets. Computer software is amortized using the straight-line method within 03 years.

The intangible fixed asset is the long-term land use right at No. 503 - 505 Hoang Lien, Lao Cai Ward, Lao Cai Province, and No. 31-33 Tran Quang Khai, Cai Khe Ward, Can Tho City which is recorded as an intangible fixed asset when the Company is granted a land use right certificate. The original cost of the land use right includes all costs directly related to bringing the land into a state ready for use. The Company does not amortize intangible fixed assets because the land use right has no term.

NOTES TO THE SEPARATE FINANCIAL STATEMENTS (Continued)

For the fiscal year ended 31 December 2025

4. ACCOUNTING POLICIES APPLIED (Continued)

Accounting principle of borrowing (Continued)

Expenses that are directly attributable to the borrowing are recognized as finance expense, except for cost incurred on a separate borrowing for investment, construction or production in progress, which are capitalized under Accounting Standard Borrowing expense.

Accounting principle of accrual expenses

Accrued expenses include expenses have been recorded into the operating cost, but not actually paid at the end of the fiscal year to ensure the consistency between revenues and expenses. By the time actually spent, any difference (if any) between record value and conduct value will be added or reduced. Accrued expenses at the balance sheet date include interest expense payable electricity and water bills, other expense... payable in December 2025.

Accounting principle of owner's equity

Owner's equity is recognized under actual contribution of the shareholders.

Profit after corporate income tax is distributed to shareholders after fund allocation in accordance with the Company's Charter as well as the provision of Law and has been approved by the General Meeting of shareholders.

Accounting principle of Revenue and other revenue

The Company's revenue includes revenue from sales of goods, brokerage consulting, revenue from real estate leasing, and revenue from short-term accommodation rentals.

Revenue from sales of goods

Sales revenue is recognized when all five (5) following conditions are satisfied:

- The company has transferred the significant risks and rewards associated with the ownership of the product or goods to the buyer;
- The company no longer retains control over the goods as the owner or has the ability to control the goods;
- The revenue can be measured reliably;
- It is likely to obtain economic benefits from the sales transaction.
- Determine the costs incurred for the transaction and the cost to complete the sales transaction.

Revenue from services render

Revenue from a service transaction is recognized when the outcome of the transaction can be measured reliably. In case the service provision transaction involves many periods, revenue is recognized in the period according to the result of the work completed as at the balance sheet date of that period. The outcome of a service transaction is determined when all four (4) of the following conditions are satisfied:

- The revenue can be measured reliably;
- It is likely to obtain economic benefits from the transaction of providing such services;
- The portion of work completed at the balance sheet date can be determined; and
- Determine the costs incurred for the transaction and the cost to complete the transaction providing that service.

NOTES TO THE SEPARATE FINANCIAL STATEMENTS (Continued)

For the fiscal year ended 31 December 2025

4. ACCOUNTING POLICIES APPLIED (Continued)**Accounting principle of Revenue and other revenue (Continued)****Revenue from interest on deposits and other income**

Other revenue includes interest on deposits and payment discounts, contract penalties, and other income. Interest on deposits is recognized on an accrual basis (taking into account the return generated by the asset) unless the collectability of the interest is uncertain. Payment discounts, contract penalties, and other income are recognized when they actually arise.

Accounting principle of cost of goods sold

Cost of goods sold reflect the cost of goods sold, services provide and leasing real estate during period. Cost of goods sold is recorded on the principle of matching with revenue.

Principle and method of recording finance expense

Finance expense reflects financial operating cost including expenses of borrowing incurred during the year.

Principle and method of recording corporate income tax expense

Corporate income tax expense (or corporate tax income): The sum of current tax expense and deferred tax expense (or current tax income and deferred taxable income) when determined the profit or loss for a period.

Current corporate income tax (CIT): is the payable corporate income tax amount calculated on the taxable income for the year and the current corporate income tax rate. Current income tax is calculated based on taxable income and the applicable tax rate for the tax period. The difference between the taxable income and the accounting profit is due to the adjustment of the differences between the accounting profit and the taxable income according to the current tax regulation.

The Company is obliged to pay corporate income tax at the tax rate from 20% on taxable income.

The determination of the Company's income tax is based on current tax regulations. However, these regulations change from time to time and the final determination of corporate income tax depends on the examination results of the competent tax authorities.

Related parties

Parties are considered to be related if one party has the ability to control or exercise significant influence over the other party in making financial and operating decisions. Parties are also considered related if they are subject to common control or common significant influence.

In considering related party relationships, the nature of the relationship is emphasized more than the legal form.
