Handwritten signature

The corporate income tax after tax profit in the financial statements for Q1/2026 recorded an changing from a positive number to a negative number compared to the same period in 2025, mainly due to: The negative impacts and difficulties stemming from the global economic downturn have caused significant challenges for businesses in general and the pharmaceutical industry in particular. Fluctuations, scarcity, and disruptions in the supply of raw materials have led to lower production output. Furthermore, legal regulations related to the pharmaceutical industry have become stricter.

We hereby certify that the disclosed information is true and we assume full responsibility before the law for the accuracy and completeness of the disclosed contents.

Sincerely,
