Phone: 0972 511 525

Type of information provided:

☒ 24-hour ☐ Upon request ☐ Extraordinary ☐ Periodic

Information provided: Certificate of Enterprise Registration of Joint Stock Company – Registration of the 10th Amendment – May 12, 2026

1. Updated new address: Km12+ 800, National Highway 3, Group 6, Dong Anh Commune, Hanoi City, Vietnam.
2. Supplementing a number of industries suitable for EPC general contractor activities:

CERTIFICATE Regarding the Amendment of Enterprise Registration Contents

The enterprise's information has been updated in the National Enterprise Registration Information System as follows:

No.	Business Lines	Code
1	Casting of iron and steel	2431 (Main)
2	Warehousing and storage services	5210
3	Financial service supporting activities not elsewhere classified - Details: Investment consultancy activities (excluding consultancy on law, finance, accounting, auditing, tax and securities);	6619
4	Trading of real estate and land use rights owned or leased - Details: Real estate business	6810

5	Production of iron, steel, and cast iron - Details: Smelting and refining steel; casting products	2410
6	Other business support service activities not elsewhere classified - Details: Import and export of industrial chemicals of high purity and laboratory chemicals (except chemicals banned by the Government); materials, machinery, equipment, spare parts, cast products, mechanical and metallurgical products	8299
7	Specialized design activities - Details: Design and fabrication of products: spare parts for construction machinery, equipment in the construction sector; Design of construction machinery;	7410
8	Architectural activities and related technical consultancy Details: - Structural design of civil and industrial works; - Management of construction investment projects (only operating within the scope of the registered practising certificate); - Certification of satisfaction of conditions for ensuring structural safety and certification of conformity with quality standards of construction works; - Supervision of construction and completion of civil and industrial works; - Construction inspection; - Specialized construction testing activities; - Construction survey; - Consultancy on formulation of construction investment projects; - Consultancy on management of construction investment projects; - Bidding consultancy.	7110
9	Manufacture of mining and construction machinery - Details: Manufacturing and assembling construction machinery; Manufacturing and assembling pressure-bearing equipment; Manufacturing and assembling spatial frame structures; Manufacturing spare parts, accessories, and equipment for the construction machinery sector;	2824
10	Manufacture of metal structures - Details: Manufacture, machining, and installation of metal equipment and metal structures;	2511
11	Installation of other building systems - Details: Installation of equipment for grade-IV construction works;	4329
12	Urban and suburban passenger road transport (except transport by buses)	4931
13	Other passenger road transport	4932

14	Scientific research and technological development in the field of engineering and technology sciences - Details: Research on alloy steel for manufacturing mechanical products for construction and industry;	7212
15	Manufacture of precious metals and non-ferrous metals - Details: Manufacture of shaped aluminium alloy products; design and construction of aluminium structures and products;	2420
16	Freight transport by road	4933
17	Wholesale of metals and metal ores - Details: Trading of shaped aluminium alloy products (excluding gold bullion and raw gold);	4672
18	Agents, brokers and auctioneers of goods - Details: Agency for petrol and oils of all kinds; agency for casting, metallurgical and mechanical products, spare parts, equipment and lubricating materials in accordance with market demand;	4610
19	Other remaining professional, scientific and technological activities not elsewhere classified - Details: Provision of scientific and technological information services;	7499
20	Wholesale of solid, liquid and gaseous fuels and related products - Details: Trading of petrol and oils of all kinds;	4671
21	Maintenance and repair of motor vehicles and other motor vehicles - Details: Repair and overhaul of automobiles and tractors;	9531
22	Construction of residential buildings	4101
23	Wholesale of other household products - Details: Trading of hardware, electrical and refrigeration products;	4649
24	Construction of non-residential buildings	4102
25	Other specialized wholesale not elsewhere classified - Details: Trading of casting, metallurgical and mechanical products, spare parts, equipment and lubricating materials in accordance with market demand;	4679
26	Activities of employment service centres - Details: Activities of labour and employment consultancy, introduction and brokerage agencies;	7810
27	Construction of railway works	4211
28	Construction of road works	4212
29	Installation of industrial machinery and equipment	3320
30	Construction of electrical works	4221

Handwritten signature

31	Construction of water supply and drainage works	4222
32	Temporary labour supply	7821
33	Installation of water supply and drainage systems, heating systems and air-conditioning systems	4322
34	Construction of telecommunication and communication works	4223
35	Other human resources supply - Details: Labour subleasing activities;	7822
36	Construction of other public utility works	4229
37	Construction of hydraulic works	4291
38	Repair and maintenance of machinery and equipment - Details: Repair and maintenance of hardware, electrical and refrigeration machinery and equipment;	3312
39	Construction of mining works	4292
40	Construction of processing and manufacturing works	4293
41	Construction of other civil engineering works	4299
42	Demolition	4311
43	Site preparation (excluding bomb and mine clearance activities)	4312
44	Installation of electrical systems	4321
45	Finishing of construction works	4330
46	Intermediary service activities for specialized construction	4340
47	Other specialized construction activities	4390
48	Wholesale of other machinery, equipment and spare parts (excluding wholesale of medical machinery and equipment, weapons, weapon systems and ammunition, including tanks and armoured fighting vehicles)	4659
49	Wholesale of other construction materials and installation supplies	4673
50	Other support service activities related to transport (excluding air transport)	5229
51	Renting and leasing of other machinery, equipment and tangible goods without operator (excluding leasing of aircraft, air transport vehicles, ships, boats and floating structures without operator)	7730
52	Machining; treatment and coating of metals	2592

Team

53	Manufacture of other fabricated metal products not elsewhere classified (excluding manufacture of military badges and medals made of metal)	2599
54	Forging, pressing, stamping and roll-forming of metal; powder metallurgy	2591
55	Sewerage and wastewater treatment	3700
56	Treatment and disposal of non-hazardous waste	3821
57	Materials recycling	3830
58	Repair and maintenance of other equipment	3319
59	Repair and maintenance of electrical equipment	3314
60	Production of electricity from renewable energy sources	3512
61	Transmission and distribution of electricity Details: - Distribution of electricity - Transmission of electricity (excluding transmission and dispatch of the national power system)	3513
62	Technical testing and analysis (excluding activities of criminal laboratories)	7120
