In compliance with Circular No. 96/2020/TT-BTC dated November 16, 2020 of the Ministry of Finance guiding information disclosure on the securities market, Hanoi – Hai Duong Beer Joint Stock Company (Ticker symbol: **HAD**) hereby provides the following explanation for the increase of more than 10% in profit for the reporting period compared with the same period of the previous year, mainly due to the following reasons:

- The Company increased the selling prices of its products;
- Favorable weather conditions with more sunny days;
- Effective implementation of cost-saving measures in production.

Ha Noi – Hai Duong Beer Joint Stock Company respectfully submit this explanation to your esteemed agencies.

Thank you for your attention!

Sincerely!
