INDEPENDENT AUDITORS' REPORT

**To: The Shareholders, the Board of Directors, and the Board of Executive Officers
Global Pacific Shipping Joint Stock Company**

We have audited the accompanying Report on capital utilization of proceeds from the private placement arising from the issuance of 30,000,000 private placement shares to increase the contributed charter capital from VND 500,354,930,000 to VND 800,354,930,000 as at 17 April 2026 of Global Pacific Shipping Joint Stock Company (the "Company") as at 10 July 2026, from page 5 to page 9. This includes the Report on capital utilization of proceeds from the private placement and the Notes (the "Report on capital utilization"). This Report on capital utilization has been prepared in accordance with the basis of preparation as described in Note 2 and the accounting policies set out in Note 3 of the Notes to Report on capital utilization.

The Board of Executive Officers' Responsibility

The Board of Executive Officers of the Company is responsible for the preparation and presentation of the Report on capital utilization in accordance with the basis of preparation set out in Note 2 and the accounting policies described in Note 3 of the Notes to Report on capital utilization. The Board of Executive Officers is also responsible for such internal control as is determined to be necessary to ensure that the preparation and presentation of the Report on capital utilization are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the Report on capital utilization based on our audit. We conducted our audit in accordance with the Vietnamese Standards on Auditing. Those standards require that we comply with ethical requirements, and plan and perform the audit to obtain reasonable assurance as to whether the Company's Report on capital utilization is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Report on capital utilization. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the report, whether due to fraud or error. In making those risk assessments, the auditor considers the Company's internal control relevant to the preparation and fair presentation of the Report on capital utilization in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. An audit also includes evaluating the appropriateness of accounting policies used by the Chief Executive Officer, as well as evaluating the overall presentation of the Report on capital utilization.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

INDEPENDENT AUDITORS' REPORT (Continued)

Auditors' Opinion

In our opinion, the Report on capital utilization give a true and fair view, in all material respects, the utilization of proceeds from the issuance of 30,000,000 private placement shares to increase the contributed charter capital from VND 500,354,930,000 to VND 800,354,930,000 as at 17 April 2026 in accordance with the basis of preparation set out in Note 2 and the accounting policies described in Note 3 of the Notes to Report on capital utilization

Basis of Accounting

Without qualifying our opinion, we draw attention to Note 2 and Note 3 in the Notes to Report on capital utilization, which describe the basis of preparation applied by the Company in the preparation and presentation of the Report on capital utilization, as well as a summary of the significant accounting policies.

Other Matters

The Company prepared a report on contributed charter capital for the period from 1 January 2026 to 27 March 2026 in connection with the proceeds raised from the private placement of 30,000,000 shares to increase the Company's contributed charter capital from VND 500,354,930,000 to VND 800,354,930,000, in accordance with the basis of preparation of the report on contributed charter capital. We have audited such report and issued our independent auditor's report dated 24 April 2026 thereon, expressing an unmodified opinion.

NOTES TO REPORT ON CAPITAL UTILIZATION

1. GENERAL INFORMATION

Structure of ownership

Global Pacific Shipping Joint Stock Company (referred to as “the Company”), operates under Business Registration Certificate No. 0305020272, first registered on 4 June 2007 issued by the Department of Planning and Investment of Ho Chi Minh City (now the Department of Finance of Ho Chi Minh City). According to the 20th amended Business Registration Certificate dated 16 November 2018, the Company changed its name to Vietnam Gas and Chemical Transportation Joint Stock Company. According to the 27th amended Business Registration Certificate dated 25 March 2024, the Company changed its name to Global Pacific Shipping Joint Stock Company. Currently, the Company is operating with Business Registration Certificate No. 0305020272, according to the 33rd amended on 4 May 2026, issued by the Department of Finance of Ho Chi Minh City.

The company was officially listed on the Hanoi Stock Exchange on 12 September 2011, with the stock code PCT.

Operating industry and principal activities

The Company's main activities are leasing ships, consulting on ship management and buying and selling liquefied petroleum gas godos.

2. BASIS FOR PREPARING THE REPORT ON CAPITAL UTILIZATION

This Report on capital utilization has been prepared on a cash receipts and cash payments basis with respect to proceeds contributed by shareholders. The Report is presented in Vietnam Dong ("VND") under the historical cost convention and has been prepared in accordance with Decree No. 155/2020/ND-CP dated 31 December 2020 of the Government providing “Detailed guidance on the implementation of certain articles of the Law on Securities”, and the accounting policies presented in Note 3.

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following are the applied accounting policies adopted by the Chief Executive Officer in the preparation of the Report on capital utilization, representing the proceeds raised from the share issuance which increased the Company's charter capital from VND 500,354,930,000 to VND 800,354,930,000, as at 17 April 2026.

Receipt and disbursement of proceeds from the private placement

The proceeds from the private placement represent the actual amount received by the Company from the private issuance of shares to increase its contributed charter capital from VND 500,354,930,000 to VND 800,354,930,000, recorded as the actual amount credited to bank account used for receiving proceeds from the share issuance.

The disbursements from the private placement represent actual amount distributed by the Company in connection with the private share offering to increase the Company's contributed charter capital from VND 500,354,930,000 to VND 800,354,930,000, recorded at the actual amount debited to bank account used for receiving proceeds from the share issuance

Accumulated amount utilized up to 17 April 2026

Accumulated amount utilized up to 17 April 2026 is recorded based on actual expenditures incurred from the funds raised from the private placement of shares.
