Stock name: Shares of VVMI La Hien Cement Joint Stock Company

Stock code: **CLH**

Explanation content:

VVMI La Hien Cement Joint Stock Company's profit after corporate income
tax in the Income Statement of the disclosed period is as follows:

Unit: Dong

No.	Item	Quarter II/2025	Quarter II/2026	% increase (+)/decrease (-)
1	Profit after tax	13.662.702.464	20.101.764.198	47,13%

Reason:

Profit of the second quarter of 2026 increased by 47.13% compared to the
same period of 2025 due to the following primary causes:

Causes:

In the second quarter of 2026, the real estate market showed signs of
recovery, leading to an increase of ~12.39% in sales volume. Notably, the average
selling price of products also rose, resulting in an increase in revenue compared to
the same period last year. On the other hand, financial revenue increased by nearly
63.62% year-on-year. At the same time, the Company's Management implemented
timely operational solutions to improve equipment productivity and optimize
production costs. These factors collectively enabled the Company to increase its
profit in the second quarter of 2026 compared to the same period last year.
