No: 274/NST-TCKT
About: Explanation of 2026
Second quarter's profit

Bac Ninh, July 20th, 2026

To: State Securities Commission
Ha Noi Stock Exchange

Pursuant to Circular No. 96/2020/TT-BTC dated November 16, 2020, of the Ministry of Finance guiding information disclosure on the securities market;

Pursuant to the Second quarter Financial Statements of 2026 of Ngan Son Joint Stock Company.

Business performance results for Q2 2026: Net profit after tax was VND 10.306.005.325, an increase of VND 284.250.780 compared to the same period last year (previous period last year profit was VND 10.021.754.545).

Cumulative business performance results for the first 6 months of 2026: Net profit after tax was VND 15.526.285.914, an increase of VND 1.077.490.089 compared to the same period last year (previous period last year profit was VND 14.448.795.825).

The main reason for this increase in net profit after tax is that the company reduced several management expenses in Q2 2026.

The above are the main reasons leading to the increase in the Company's business performance in the second quarter of 2026 compared to the same period of the previous year.

Best regards ./.
