4	Bui Le Anh Hieu	Non-executive BOD member	09	100%	
5	Hoang Thien Anh	Non-executive BOD member	09	100%	

3. Supervisory activities of the Board of Directors over the Board of Management

The Board of Directors has exercised its supervisory function in a comprehensive, regular, and stringent manner over the Board of Management across all operational aspects, ensuring publicity, transparency, and the optimization of interests for both the Company and its Shareholders.

3.1. Supervision of legal compliance and support for general operations

- Supervision of legal and systemic compliance: Continuously monitoring compliance with legal regulations, the Company Charter, Resolutions of the General Meeting of Shareholders, and Resolutions/Decisions issued by the Board of Directors itself, while ensuring the Board of Management directs business activities to achieve optimal results.

- Timely resolution of bottlenecks: Proactively coordinating and promptly resolving issues that exceed the Board of Management's authority, thereby minimizing administrative procedures and facilitating the Board of Management in effective management and operation.

- Strategic direction and support: Closely participating in the planning and providing practical support solutions to assist the Board of Management in developing short-term and long-term business plans aligned with market conditions.

- Maintenance of periodic inspection mechanisms: Attending regular and extraordinary meetings to promptly capture any fluctuations in the Company's operations.

3.2. Supervision of bidding activities and implementation of key projects

The Board of Directors has provided strategic direction and closely supervised the following core operational pillars of the Board of Management:

- Expansion of the bidding market: Supervising the preparation of bidding documents and directing the Board of Management to actively participate in tenders for construction, installation, and service packages within Ho Chi Minh City, while extending operations to

neighboring provinces such as Dong Thap province, Long Hoa commune (formerly part of Binh Duong), etc.

- Contract execution: Directing the Board of Management to monitor the progress and quality of awarded contracts regarding the operation, management, and routine maintenance of public lighting and traffic signal systems in Ho Chi Minh City, ensuring traffic safety and urban aesthetics.

- Specifically supervising the preparation for bidding on urban lighting management, operation, and maintenance packages in Ho Chi Minh City, for which the Company was successfully awarded with the contract execution period from July 1, 2026, to June 30, 2029.

3.3. Supervision of strategic governance, partnerships, and human resources

- Alignment with Investors' orientations: Monitoring and directing the Board of Management to continuously update and adhere to new guidelines and policies from the Investors, thereby promptly pivoting and implementing solutions to respond to or optimize Company operations.

- Long-term vision planning: Directing the Board of Management to mobilize resources to build a detailed business plan for 2026, while finalizing the medium- and long-term development strategy for the 2026–2030 period.

- Preparation for the General Meeting of Shareholders: Directing the comprehensive preparation of content, personnel, and logistics to successfully organize the 2026 Annual General Meeting of Shareholders in accordance with legal regulations.

- Corporate culture and labor relations: Directing the organization of periodic dialogue programs between Company Leadership and Employees to promptly listen to aspirations, thereby establishing reasonable remuneration policies and maintaining solidarity and workforce stability.

4. Activities of the subcommittees of the Board of Directors

The Board of Directors does not establish subcommittees under its authority.

3. Supervisory activities of the Supervisory Board over the Board of Directors, Board of Management, and shareholders

a. Supervisory activities of the Supervisory Board over the Board of Directors:

- Meeting attendance and information acquisition

+ Full participation: The Supervisory Board exercised its rights and obligations by attending all regular and extraordinary meetings of the Board of Directors throughout the first half of 2026.

+ Timely provision: All documents, records, and Resolutions issued by the Board of Directors were fully and promptly copied and provided to the Supervisory Board immediately following the conclusion of meetings. The content of the Resolutions of the Board of Directors was rigorously drafted, strictly complying with applicable legal regulations and closely following the Company's actual operational status.

- Supervision of legality and strategic directions

+ Proper authority: Resolutions issued by the Board of Directors in the first half of 2026 ensured legality, conformed to the Company Charter, and strictly adhered to the core directions of the Resolutions of the General Meeting of Shareholders.

+ Strategic vision: Board of Directors' decisions provided clear direction for both the medium and long term. Concurrently, the Board of Directors flexibly proposed in-depth, close-to-reality solutions to promptly adapt to fluctuations in the unit's business activities.

+ Member responsibility: Members of the Board of Directors consistently upheld a high sense of responsibility, working dynamically and diligently while absolutely complying with obligations under the law and the Company Charter.

- Direction of operations and guideline implementation

+ Alignment with plans: The Board of Directors fulfilled its governance role through timely direction, staying close to the business objectives and plans approved by the General Meeting of Shareholders. Management and operational activities essentially complied with legal regulations.

+ High consensus: The process of developing, issuing, and implementing major policies always achieved full consensus and high agreement among all Board members. Decisions made carried high feasibility.

+ Coordinated implementation: The Board of Management and the executive staff received and organized the serious and drastic implementation of Board of Directors' policies into the Company's practical operations.

- Supervision of information disclosure obligations

+ Information transparency: The Board of Directors correctly performed its role in directing and urging specialized departments to fulfill information disclosure obligations regarding the Company's business operations periodically, accurately, transparently, and within the legally prescribed deadlines for enterprises.

b. Supervisory activities of the Supervisory Board over the Board of Management and shareholders:

- Supervision of compliance with Resolutions and strategic directives

+ Compliance with legal frameworks: The Supervisory Board maintained rigorous oversight of all executive operations conducted by the Board of Management. The Board

recorded that the Board of Management strictly adhered to the guidelines, action plans, Resolutions of the General Meeting of Shareholders, and Decisions/Resolutions issued by the Board of Directors.

- + Operational timeliness: The Board of Management issued directives regarding business activities that ensured timeliness, remained within delegated authority, and aligned seamlessly with the Company's long-term strategic direction.

- Supervision of governance, coordination, and implementation of business targets

- + Promoting cross-functional synergy: The Board of Management took decisive action in directing specialized departments, clearly defining roles and fostering close coordination to accelerate the completion of key assigned tasks.

- + Progress evaluation and control: The Supervisory Board monitored the Board of Management's periodic reviews and assessments of the Company's business plan implementation. Consequently, the Board of Management developed detailed performance indicators and deployed flexible, synchronized solutions to ensure the maximum achievement of annual plan targets.

- + Field support: The Supervisory Board frequently inspected the Board of Management's hands-on management, particularly in providing emergency response and resolving operational bottlenecks directly at affiliated units.

- Supervision of resource management, restructuring, and stakeholder obligations

- + Optimization of asset resources: The Board of Management effectively managed and leveraged the Company's core resources, including: optimizing capital flows, preserving and developing fixed assets, and maximizing labor productivity.

- + Organizational structure consolidation: The Supervisory Board acknowledged the Board of Management's efforts in proactively reviewing, restructuring, and consolidating the management organizational model. This streamlining process resulted in a lean and flexible organizational model that is perfectly suited to the operational realities of each unit.

- + Commitment to social responsibility and employee welfare: The Board of Management ensured that all State budget obligations were fulfilled in full and on schedule, guaranteed the timely payment of salaries and bonuses while strictly implementing insurance and welfare policies to care for the material and mental well-being of the workforce.

- + Protection of shareholder interests: The Board of Management upheld transparency in information disclosure, fulfilled its duties, and prioritized the protection of the legitimate interests of all existing shareholders.

4. Coordination between the Supervisory Board and the Board of Directors, Board of Management and other managers

- Legal compliance and general coordination principles

- + Legal compliance: The Supervisory Board fully performed its assigned functions and duties. All activities of the Supervisory Board strictly comply with applicable legal regulations, the Company Charter, and Resolutions of the General Meeting of Shareholders.

+ Accompanying management: The Supervisory Board maintains close and consistent coordination with the Board of Directors and the Board of Management throughout the monitoring, management, and executive processes.

+ Driving operational efficiency: This seamless collaboration contributes to the optimization of business activities, enabling the Company to exceed the performance targets and plans approved by the General Meeting of Shareholders.

- Support from the Board of Directors and the Board of Management:

+ Facilitating work environments: The Board of Directors and the Board of Management consistently foster an ideal environment for the Supervisory Board to effectively exercise its independent control functions across all areas of operation.

+ Timely information provision: The Board of Management provided all necessary documents in a full, accurate, and timely manner, including:

- o Minutes of Meetings, Resolutions, and Decisions of the Board of Directors.
- o Periodic data and reports on business performance.
- o Quarterly, semi-annual, and audited annual financial statements.

+ Acknowledging supervisory feedback: The Board of Directors and the Board of Management seriously consider and fully implement the constructive recommendations and feedback provided by the Supervisory Board. This receptiveness is aimed at continuously refining the Company's risk management system.

- Coordination from affiliated units and engagement with shareholders:

+ Support from departments: Affiliated units, functional departments, and other managers within the Company proactively cooperate with the Supervisory Board, providing records and detailed explanations promptly upon request by the Board during inspection and supervision phases.

+ Protection of shareholder interests: The Supervisory Board acted as a reliable bridge, proactively listening to and updating comments and petitions from shareholders.

+ Information transparency: The Supervisory Board is committed to responding and providing controlled information in the most open, transparent, full, and timely manner, protecting the legitimate rights of all shareholders.
