Information disclosure content:

According to the consolidated financial statements of Hanoi Textile and Garment Joint Stock Corporation:

Business results for Q2 2026:

+ Net profit after tax Q2/2025: VND (2,010,372,505)

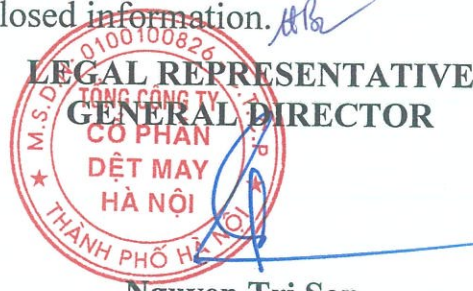

+ Net profit after tax Q2/2026: VND 7,649,059,225

Regarding the consolidated after-tax profit of the Corporation for Q2/2026, which increased by 10% or more compared to the same period last year, and the after-tax profit for Q2 2026 turned out to be a profit, shifting from a loss in the same period last year to a profit this period, Hanoi Textile and Garment Joint Stock Corporation would like to explain the reasons:

The increase in the Corporation's after-tax profit in Q2/2026 compared to the same period last year is due to the good recovery of the market and improved production management. This result is mainly achieved from the business efficiency of the yarn industry. The yarn industry recorded a strong recovery in selling prices, so revenue in Q2/2026 increased compared to the same period last year. The garment industry exploited the market well, ensuring full order capacity. The towel industry had good order capacity and full production capacity. On the other hand, due to tight production management, increased productivity, and cost reduction, the overall efficiency of the Corporation increased compared to the same period last year.
