c. Supervisory activities of the BOD over the Executive Board:

- The BOD has closely monitored and worked alongside the Executive Board in implementing the BOD's Resolutions, promptly removing difficulties and resolving matters arising within its authority so as to create the most favourable conditions for the operations of the Executive Board;

- Directing and closely supervising the production and business plans against a volatile macroeconomic backdrop. In particular, for renewable energy – the core segment of BCG Energy – the BOD has provided flexible and timely guidance enabling the Executive Board to respond to the policy transition period and to overlapping legal regulations, ensuring transparency and efficiency and giving maximum protection to the interests of the Company;
- Placing emphasis on strengthening the capacity of the internal control and internal audit systems. Closely supervising joint ventures and associated projects with foreign investors/strategic partners, ensuring a sound transaction structure and safe investment terms and optimising profits for the Company.
- Appraising and approving strategic investments; providing flexible direction on the purchase, sale and transfer of shares in member companies/associates in order to restructure capital sources and concentrate resources on key projects;
- Closely supervising the management and administration of the Executive Board in order to stabilise the personnel organisation, ensure compliance with internal regulations and procedures and improve production and business efficiency. Supervision is carried out through periodic BOD meetings; through review of the Executive Board's reports on the progress of implementation of the BOD's Resolutions and Decisions; and through attendance at, and approval of, monthly briefing reports and ad hoc reports
- Providing decisive direction on investment and capital mobilisation and closely following the roadmap for the capital increase plan so as to secure a solid financial base for the deployment of the Company's large-scale energy projects.
- Directing the co-ordinated implementation of cost optimisation measures and the restructuring of the organisational apparatus at BCG Energy and its member companies, with the aim of streamlining the organisation and improving labour productivity and governance capacity, in line with the sustainable development orientation for the new period;
- Closely supervising the preparation and disclosure of the Financial Statements, the Corporate Governance Report, the Annual Report and the Sustainability (ESG) Report. Placing emphasis on Investor Relations (IR) in order to protect the lawful rights of all shareholders;
- Directing the Executive Board and the representatives of capital contributions at member companies/associates to develop effective cash flow management solutions and to preserve and grow invested capital;
- In 2026, despite changes in Executive Board personnel, the BOD proactively and promptly consolidated the leadership structure and appointed highly qualified replacement personnel. This has helped maintain stability and ensure that BCG Energy's key policies and projects continue to be implemented consistently and without interruption.

3	Mr. Hoang Quoc Trung	Member	14/08/2025		Master of Accounting

b. Meetings of the SB:

In the first six months of 2026, the Supervisory Board held 02 meetings, on a periodic basis at the end of each quarter:

- Q1 meeting: 31/03/2026;
- Q2 meeting: 30/06/2026;

Mr. Nguyen Viet Cuong submitted his resignation letter with effect from 09/01/2026 and therefore did not attend the meetings during the period.

c. Supervisory activities of the SB over the BOD, the Executive Board and shareholders

- In the first six months of 2026, the Supervisory Board supervised the activities of the BOD and the Executive Board in the following key areas:
- Supervising the implementation of the Resolutions of the General Meeting of Shareholders, ensuring that decisions are implemented promptly and in full.
- Supervising and monitoring the preparation of the Financial Statements, ensuring that the figures give a true and fair view and comply with accounting standards and legal regulations.
- Supervising the mobilisation and use of capital for projects, ensuring efficiency and consistency with the Company's long-term development strategy.

- Monitoring financial accounting, legal, information disclosure and risk management activities to identify potential risks in a timely manner.

d. Supervision of transactions with related parties:

- Checking and reconciling data relating to transactions with subsidiaries, joint ventures and associates and with individuals and organisations falling within the current regulations on related parties. Ensuring that transactions are carried out transparently, free of conflicts of interest and without causing loss to shareholders, and that they are closely supervised and approved by the competent authority.

During the period, the Supervisory Board supervised all Resolutions/Decisions issued by the Board of Directors in the first six months of 2026 (from Resolution/Decision No. 01/2026 to No. 36/2026), focusing on the following key groups of matters:

- o Senior personnel matters: supervising the Decisions on the termination of office/appointment of the CEO, the Deputy CEOs and the Person in charge of corporate governance (Decisions No. 06, 07, 16, 22, 27 and Resolutions No. 26, 28, 32 of 2026), ensuring that the appointment and dismissal procedures comply with the Company's Charter and with legal regulations.
- o Related party transactions: supervising the Resolutions approving the amendment of service contracts and loan agreements and transactions with related parties (Resolutions No. 08, 09, 10, 20, 21, 23, 25 of 2026), ensuring transparency, the absence of conflicts of interest and approval by the competent authority.
- o Financial and investment decisions: supervising the Resolutions on borrowings, the making and reversal of provisions, approval of the 2025 Financial Statements, the FIT price and the capital increase plan at member companies (Resolutions No. 01, 11, 15, 29, 30, 31, 33 of 2026).
- o Other governance and operational matters: supervising the Resolutions on the extension of the Annual General Meeting of Shareholders, the execution of Memoranda of Understanding/Co-operation Agreements, the designation of authorised representatives and the negotiations to resolve obstacles with EVN/EPTC (Resolutions No. 04, 05, 12, 24, 35, 36 of 2026).

The results of this supervision show that the Resolutions/Decisions of the Board of Directors were issued in accordance with the proper procedures and authority, with approval rates mostly reaching 100%; no violations or transactions causing loss to the lawful rights and interests of shareholders or of the Company were identified.

e. Co-ordination between the SB and the BOD, the Executive Board and other managers:

- The SB co-ordinates closely and regularly with the BOD, the Executive Board and internal management departments in order to ensure effective supervision and to support the Company's important decision-making processes.
- The BOD and the Executive Board proactively provide in full the financial statements, documents and information required upon request from the SB.
- The SB attends meetings of the BOD and the Executive Board when invited. Within its authority, the SB provides comments, critical opinions and recommendations where necessary on relevant matters.
- The SB assesses the co-ordination between the parties as positive, contributing to improved corporate governance effectiveness and to the goal of sustainable development.

f. Other activities of the SB:

- In the first six months of 2026, the SB had no activities other than the work performed in accordance with its functions and duties under current regulations.
