Pursuant to Circular 96/2020/TT-BTC dated November 16, 2020, of the Ministry of Finance on information disclosure on the stock market.

Trung An Hi-Tech Farming Joint Stock Company hereby provides explanations regarding the following contents:

The difference in profit after tax between the separate financial statements and the consolidated financial statements for the quarter 02 of 2026 is as follows:

Items	Quarter 2/2026	Quarter 2/2025	Difference (%)
Profit after tax on separate FS	(25,109,387,905)	(8,139,248,495)	208 %
Profit after tax on consolidated FS	(25,947,353,162)	(7,379,459,405)	252 %

Reason:

The net profit after tax for the second quarter of 2026 according to the Company's separate financial statements was a loss of VND 25.109 billion, representing a decrease of VND 16.970 billion compared to the same period, which recorded a loss of VND 8.139 billion. The net profit after tax for the second quarter of 2026 according to the Company's consolidated financial statements was a loss of VND 25.947 billion, representing a decrease of VND 18.568 billion compared to the same period, which recorded a loss of VND 7.379 billion. The main reason was that revenue decreased significantly.

Sincerely!
