Gia Lai, August 03 , 2026

Re: Explanation for the Increase in
profit after tax in the Semi-Annual
Income Statement for 2026 compared
to the same period in 2025.

To:

- State Securities Commission of Vietnam;
- Hanoi Stock Exchange (HNX).

Pursuant to Circular No. 96/2020/TT-BTC dated November 16, 2020, issued by the Ministry of Finance on the disclosure of information in the securities market;

Pursuant to the Semi - Annual Income Statements for 2026 and 2025 of Binh Dinh Water Supply and Sewerage Joint Stock Company;

Binh Dinh Water Supply and Sewerage Joint Stock Company hereby provides the following explanation for the increase in profit after corporate income tax in the semi - annual income statement for 2026 compared to the same period in 2025:

Description	Unit	2025 Semi - Annual	2026 Semi - Annual	% Increase, Decrease (+/-)
Profit after tax	Dong	15,904,334,230	21,085,964,003	32.58

The post-tax profit for the first half of 2026 increased by VND 5,181,629,773 compared to the same period in 2025. This increase was driven by a 10.05% year - on - year growth in water consumption volume, attributed to favorable weather conditions in the early months of the year without the cold and rain experienced in early 2025. Additionally, the Company aggressively implemented measures to boost consumption, leveraged the positive impacts of the National Tourism Year - Gia Lai 2026 event, and benefited from the clean water tariff adjustment implemented on May 1, 2025, pursuant to Decision No. 1487/QD-UBND dated April 29, 2025, issued by the Binh Dinh Provincial People's Committee (currently the Gia Lai Provincial People's Committee).

Binh Dinh Water Supply and Sewerage Joint Stock Company sends this official letter to your agencies and investors to explain the Company's business results. *[Signature]*
