SUBSEQUENT EVENTS

According to the assessment of the Board of General Directors, based on key aspects, no unusual events have occurred after the accounting closing date that would affect the financial situation and operations of the Corporation, requiring adjustments or disclosure in the Separate financial statements for the second Quarter of 2026.

THE BOARD OF GENERAL DIRECTORS' RESPONSIBILITY

The Corporation's Board of General Directors is responsible for preparing separate financial statements, which give a true and fair view of the financial position of the Corporation as at 30 June 2026 as well as of its income and cash flows statements for this then ended, complying with Vietnamese Standards on Accounting, Vietnamese Enterprise Accounting System and relevant regulations in preparation and disclosure of the separate financial statements. In preparing these separate financial statements, the Board of General Directors is required to:

- Select suitable accounting policies and then apply them consistently;
- Make judgments and estimates that are reasonable and prudent;
- State whether applicable accounting principles have been complied with, material differences are disclosed and explained in the separate financial statements;
- Design, execute and maintain an effective internal control related to the appropriate preparation and presentation of separate financial statements to obtain reasonable assurance that the separate financial statements are free of material misstatements caused by even frauds and errors.
- Prepare the separate financial statements on the going concern basis unless it is inappropriate to presume that the Corporation will continue in business.

The Board of General Directors is responsible for ensuring that proper accounting records are kept, which disclose, with reasonable accuracy at any time, the financial position of the Corporation and to ensure that separate financial statements comply with Vietnamese Standards on Accounting, Vietnamese Enterprise Accounting System and relevant legal regulations to presentation of separate financial statements. The Board of General Directors is also responsible for safeguarding the assets of the Corporation and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Board of General Directors confirms that the Corporation has complied with the above requirements in preparing the separate financial statements.

For and on behalf of the Board of General Directors,

Cao Trung Thu
General Director

3. APPLICABLE ACCOUNTING STANDARDS AND SYSTEM

3.1 Accounting system

The Corporation applies the Vietnamese Accounting Regime for Enterprises promulgated under Circular No. 99/2025/TT-BTC dated 27 October 2025 issued by the Minister of Finance.

3.2 Statements for the compliance with Accounting Standards and System

The Board of General Directors of the Corporation ensures full compliance with the Vietnamese Accounting Standards and the Vietnamese Enterprise Accounting System that have been issued and are effective in relation to the preparation and presentation of the separate financial statements.

4. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Below are the major accounting policies adopted by the Corporation in the preparation of the Separate Financial Statements:

Basis of preparing the Separate Financial Statements

The attached separate financial statements are expressed in Vietnam Dong (VND), under the historical cost convention and in accordance with Vietnamese Accounting Standards, Vietnamese Accounting System and legal regulations relevant to the preparation and presentation of Separate Financial Statements.

The Separate Financial Statements of the Corporation are prepared based on the summary of the Separate Financial Statements of the dependent units and the Financial Statements of the Office of the Corporation. All transactions and balances between the Office of the Corporation and its dependent units as well as between the dependent units have been eliminated when preparing and presenting the Corporation's Separate Financial Statements.

The accompanying Separate Financial Statements are the Corporation's ones, therefore, they do not include the Financial Statements of subsidiaries. Users of the Separate Financial Statements should read them together with the Corporation's Consolidated Financial Statements for the period ended 31 December 2025 to obtain full information of the Corporation's Financial position as well as the results of operations and cash flows during the period.

Finalization of equitization

The Corporation has carried out the procedures as prescribed by provisions of law and submit the finalization dossier of the value of the State capital at the time of official transfer to the Joint Stock Company to the Ministry of Construction. Up to the date of issue of this report, the Corporation has not received the Decision approving the finalization of the value of the State capital at the time of official transformation into a Joint Stock Corporation.

Accounting estimates

The preparation of the Separate Financial Statements in conformity with Vietnamese Accounting Standards requires the Board of General Directors to make estimates and assumptions that affect the reported amounts of liabilities, assets, and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period year. Actual results may differ from those estimates and assumptions.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

4. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

The type of exchange rates applied in accounting

For transactions arising in foreign currencies Transactions in foreign currencies are translated into the functional currency at the exchange rates prevailing at the dates of the transactions. Exchange differences arising from these transactions are recognized in financial income or financial expenses in the Statement of Profit or Loss.

Revaluation of foreign currency monetary items at the end of the reporting period

At the reporting date, monetary items denominated in foreign currencies (including assets and liabilities) are retranslated at the average of the buying and selling telegraphic transfer rates of the commercial bank(s) with which the Corporation regularly transacts, as at 30 June 2026.

Exchange differences arising from the retranslation of these monetary items are recognized in financial income or financial expenses for the reporting period.

Unrealized foreign exchange gains arising from the retranslation of year-end balances of foreign currency monetary items are not available for distribution as profits or dividends.

Cash and cash equivalents

Cash comprises cash on hand, bank deposits.

Cash equivalents comprise short-term deposits and highly liquid investments with an original maturity of less than 3 months that are readily convertible to known amounts of cash and that are subject to an insignificant risk of changes in value.

Financial investments

Investments held to maturity

Held to maturity investments are those that the Corporation has intention and ability to hold until maturity. Held to maturity investments includes: term bank deposits with original maturities of more than 3 months, held-to-maturity loans for the purpose of earning periodic interest and other held-to-maturity investments.

Held to maturity investments are initially recognized at cost including the purchase cost and other transaction costs. Interest from these held-to-maturity investments after the acquisition date is recognized in the profit or loss based on the interest income to be received. Interests arising prior to the Corporation's acquisition of held-to-maturity investments are recorded as a decrease in the costs at the acquisition time.

Held to maturity investments are stated at cost less allowance for bad debts.

Allowance for bad debts of held-to-maturity investments is made in conformity with current accounting regulations

Profit distributions that the Corporation received from the accumulated profits of the subsidiaries after the Corporation obtains control rights are recognized in the separate income statement. Other distributions are considered a recovery of investment and are deducted from the investment value.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

4. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Profit distributions that the Corporation received from the accumulated profits of the associates after the Corporation obtains control rights are recognized in the separate income statement. Other distributions are considered a recovery of investment and are deducted from the investment value.

Investments in subsidiaries, associates, and other investments are presented at cost less allowance for diminution in value (if any) in the balance sheet.

Other investments: Are recorded at cost, including purchase price plus directly attributable acquisition costs. After the initial recognition, these investments are measured at cost less allowance for diminution in value of investments.

Allowance for loss of investments

Allowance for losses of investments in subsidiaries, contributions to joint ventures, investments in associates, and investments in equity instruments of other entities is made when there is apparent evidence for impairment in the value of the investments as at the balance sheet date.

Receivables

The receivables comprise the customer receivables and other receivables. Receivables are recognized at the carrying amounts less allowances for doubtful debts.

Allowance for doubtful debts is assessed and made for overdue receivables that are difficult to be collected, or the debtor is unable to pay due to dissolution, bankruptcy or similar difficulties.

Inventories

Inventories are measured at the lower cost and net realizable value. Costs of inventories comprise costs of purchases and other directly relevant costs.

The cost of inventories is determined in accordance with the weighted average method.

Net realizable value is the estimated selling price of inventory items less all estimated costs of completion and costs of marketing, selling, and distribution. The Corporation uses the perpetual inventory method.

The Corporation's allowance for impairment of inventories is made when there is reliable evidence of impairment of the net realizable value compared to the historical cost of inventories.

Tangible fixed assets and depreciation

Tangible fixed assets are stated at historical cost less accumulated depreciation. Historical costs of tangible fixed assets include all the expenses paid by the Corporation to bring the asset to its working condition for its intended use.

Tangible fixed assets have been revalued using the asset method to determine the enterprise value for the purpose of equitization of enterprises with 100 percent state owned capital as of 31 December 2013. Accordingly, the historical cost of tangible fixed assets is stated at cost of revaluation in accordance with the Minutes of the valuation of the Corporation.

Tangible fixed assets are depreciated using the straight-line method over their estimated useful lives. Since 01 October 2016 (The Corporation officially operates as a Joint Stock Company), the depreciation value of fixed assets in the year is calculated by the residual value of the assets as at 01 October 2016 divided by the remaining depreciation period of the asset, details are as follows:

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)**4. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

	<u>Years</u>
Buildings and structures	08 - 25
Machinery and equipment	06 - 10
Motor vehicles	05 - 08
Other equipment	03 - 05
Others	08 - 20

When a tangible fixed asset is sold or disposed of, its historical cost and accumulated depreciation are written off, then any gain or loss arising from such disposal is included in the income or the expenses during the period.

Intangible fixed assets

The Corporation's intangible assets are land use rights and rights of stone reserve exploration dill are stated at historical cost less accumulated amortization.

Historical costs of intangible fixed assets include all the expenses paid by the Corporation to bring the asset to its working condition for its intended use.

Intangible fixed assets have been revalued using the asset method to determine the enterprise value for the purpose of equitization of enterprises with 100 percent state owned capital as of 31 December 2013. Accordingly, the historical cost of intangible fixed assets is stated at cost of revaluation in accordance with the Minutes of the valuation of the Corporation.

Intangible fixed assets are land-use rights for a definite term, which are amortized on a straight-line basis over the validity period of the land use right certificates.

Investment properties

Investment properties include land use rights and buildings, and structures held by the Corporation to earn rentals or await higher price, which is stated at cost less accumulated depreciation.

The historical cost of investment property includes all expenses (cash and cash equivalents) paid by the Corporation, or the fair value of other amounts exchanged to acquire the investment property by the time of purchase or construction of the investment property.

Investment properties have been revalued using the asset method to determine the enterprise value for the purpose of equitization of enterprises with 100 percent state owned capital as of 31 December 2013. Accordingly, the historical cost of investment property is stated at cost of revaluation in accordance with the Minutes of the valuation of the Corporation.

Cost related to investment property incurred after initial recognition must be recognized as Cost for Production and Business in the year unless the expenditure has resulted in an increase in the future economic benefits expected to be obtained from the use of an item of investment property beyond its originally assessed standard of performance, the expenditure is capitalized as an additional cost of investment property.

Investment property for lease is amortized on a straight-line basis over its estimated useful life from 02 years to 27 years.

Liquidation: Gains and losses from disposal of investment property are measured by the difference between net proceeds from disposal and the remaining amount of the investment property and are recognized as income or expense in the separate income statement.

Business Cooperation Contract ("BCC")

The Corporation as a capital contributor: Cash and asset contributions under BCC are recognized as receivable in the separate financial statements.
