(a)- Net profit after tax increased by 10% or more compared to the same period last year as reflected in the income statement.

The profit after tax metric on the 2026 Semi-annual financial statements changed by more than 10% compared to 2025 Semi-annual financial statements: This was mainly because the Company completed the renovation of Huong Giang Hotel in the first six months of 2026, leading to an increase in revenue and profit compared to the same period last year.
