No. 154/2026/CV-VT

Dong Nai, 14 August 2026

*Re. explaining the variation of profit in the
Financial Statements for the first 6 months of
2026 before and after audit*

To: - State Securities Commission of Vietnam
- Hanoi Stock Exchange

As stipulated in Section II – Chapter II – Circular 155/2015/TT-BTC issued on 06 October 2015 by the Ministry of Finance regarding information disclosure on the stock market, listed companies are required to periodically publish their quarterly and annual Financial Statements. Viet Thai Electric Cable Corporation would like to provide an explanation for the variation in after-tax profit in the Financial Statements for the first 6 months of 2026 before and after audit as follows:

- Profit after tax for the first 6 months of 2026 before audit VND 11.795.748.420
- Profit after tax for the first 6 months of 2026 after audit VND 12.789.885.878

The after-tax profit in the Financial Statements for the first 6 months of 2026 increased by VND 994.137.458 compared to the pre-audited financial statements, attributed to the following factors:

- After the audit, financial income increased due to the recognition of additional accrued interest income during the period. In addition, general and administrative expenses decreased, while other expenses increased compared to the pre-audit financial statements..

Due to the above factors, for the first 6 months of 2026 audited financial statement's after-tax profit increased compared to the pre-audited after-tax profit. Viet Thai Electric Cable Corporation hereby informs the State Securities Commission of Vietnam, the Hanoi Stock Exchange, and valued investors for clarification.

Yours faithfully!
