### **Auditor's responsibility**

Our responsibility is to express a conclusion on these Interim Consolidated Financial Statements based on our review. We conducted our review in accordance with Vietnamese Standard on Review Engagements No. 2410 - Review of interim financial information performed by the independent auditor of the entity.

A review of interim consolidated financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Vietnamese Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all material matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

### **Auditor's conclusion**

Based on our review, nothing has come to our attention that causes us to believe that the accompanying Interim Consolidated Financial Statements does not give a true and fair view, in all material respects, of the financial position of Vietnam Germany Steel Pipe Joint Stock Company as at June 30, 2026, its operation results and its cash flows for the 6-month accounting period ending on the same date in accordance with the Vietnamese Accounting Standards, Vietnamese Enterprise Accounting System and the statutory requirements relevant to preparation and presentation of Interim Financial Statements.
