EVENTS SINCE THE BALANCE SHEET DATE

As at the date of this report, in all material respect, the Executive board confirmed there have been no significant events that require adjustments or disclosures in the accompanying reviewed Interim Separate Financial statements of the Company.

AUDITORS

CPA VIETNAM Auditing Company Limited - Northern Branch has audited the Big Investment Group Joint Stock Company's Interim Separate Financial statements for the accounting period ended at 30 June 2026.

THE EXECUTIVE BOARD'S RESPONSIBILITY

The Executive board is responsible for preparing the Interim Separate Financial Statements for the accounting period ended 30 June 2026, which give a true and fair view of the Company's financial position as at 30 June 2026 and of its results and interim separate cash flows. The Executive board believes there were no contingent events that might affect the going concern of the Company. In preparing those Interim Separate Financial statements, the Executive board is required to:

- Select suitable accounting policies and then apply them consistently;
- Make judgments and estimates that are reasonable and prudent;
- State whether applicable accounting standards have been followed, subject to any material departures disclosed (if any) and explained in the financial statements;
- Prepare the Separate Financial Statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business;
- Design, implement and maintain an effective internal control system for the purpose of preparing and presenting the Separate Financial Statements to minimize errors and frauds.

The Executive Board is responsible for ensuring that proper accounting records are kept which disclose, with reasonable accuracy at any time, the financial position of the Company and to ensure that the accompanying Interim Separate Financial statements comply with Vietnamese Accounting Standards, Corporate Accounting System of Vietnam and the prevailing regulations. It is also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Executive Board confirms that the Company has complied with the above requirements in preparing the Interim Separate Financial statements.

On behalf of the Board of Management,

Kieu Van Khoa

Chairman of the Management Board

REVIEWED REPORT ON INTERIM SEPARATE FINANCIAL INFORMATION

To: The shareholders; The Board Management and Directors of
Big Investment Group Joint Stock Company

We have reviewed the accompanying Interim Separate Financial statements of Big Investment Group Joint Stock Company prepared on 28 August 2026, as set out from page 05 to page 38 including: Interim Statement of Financial Position as at 30 June 2026, Interim Income Statement, Interim Cash Flow Statement and Notes to the Interim Separate Financial statements for the accounting period ended 30 June 2026.

Responsibilities of the Board of Directors

The Board of Directors is responsible for the preparation and fair presentation of the Company's Interim Separate Financial statements in accordance with Vietnamese accounting standards, Vietnamese Corporate accounting system and other prevailing legal regulations, and for such internal control as the Board of Directors determines is necessary to enable the preparation of Interim Separate Financial statements that are free from material misstatement, whether due to fraud or errors.

Responsibilities of auditors

Our responsibility is to express a conclusion on these Interim Separate Financial statements based on our review. We have conducted our review in accordance with Vietnamese Standards on Review Engagements No.2410 - Review of Interim Financial Information Performed by the Independent Auditor of the Entity.

A review of financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Vietnamese Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Auditor's Conclusion

Based on our review result, nothing has come to our attention that causes us to believe that the accompanying Interim Separate Financial statements does not give a true and fair view, in all material respects, of the financial position of Big Investment Group Joint Stock Company as at 30 June 2026, and of its interim financial performance and its interim cash flows for the accounting period end 30 June 2026 in accordance with the Vietnamese Accounting Standards, Vietnamese Corporate Accounting System and other prevailing legal regulations on preparation and presentation of the Interim Separate Financial statements.

NOTES TO THE INTERIM SEPARATE FINANCIAL STATEMENTS (Continued)

For the accounting period ended 30 June 2026

4. ACCOUNTING POLICIES APPLIED

The significant accounting policies, which have been adopted by the Company in the preparation of these separate financial statements, are as follows:

Basic for preparing interim separate financial statement

The accompanying Interim Separate Financial Statements are presented in Vietnam Dong (VND), prepared on the principle of cost and in accordance with Vietnamese Accounting Standards, Vietnamese corporate accounting systems and legal regulation related to preparation and presentation of Interim separate financial statements.

Interim Separate Financial Statements are not intended to present the financial position, interim income statement and interim cash flows in accordance with accounting principle and practices generally accepted in countries and jurisdictions other than Vietnam.

Accounting estimates

To comply with Accounting Standards, Accounting System and regulations in Vietnam, the Executive Board have been required to have the estimates and assumptions influence on liability, assets, contingent liability and assets as at the date of the interim separate financial statements as well as revenue and expenditure in the fiscal year. Although the accounting estimates are made with the knowledge of the Executive Board, actual business results could differ from those estimates and assumptions.

Accounting principle of Cash and cash equivalents

Cash is consist of cash on hand and cash at banks.

Cash equivalent comprise current investments with maturity of less than three months can be transferred easily to cash without any risks in transferring since the date of purchase.

Accounting principle of Financial investments

Investment in subsidiaries

Investments in subsidiaries in which the Company has control investments are presented using the cost method in the interim separate financial statements.

Profit distributions received by the Company from the accumulated profits of subsidiaries after the Company gains control are recognized in the Company's operating results for the year. Other distributions are considered as a return of investment and are deducted from the investment value.

Provision for investment impairment

Provision for devaluation of investments in other subsidiaries is made when there is solid evidence showing a decline in the value of these investments at the balance sheet date. An increase or decrease in the provision account balance is recognized as a financial expense in the Income Statement.

Accounting principle of receivables

Receivables are amounts that can be collected from customers or other entities classified by maturity, receivable counterparty, receivable currency and other factors in accordance with the characteristics of the Company's business operations and its management requirements:

- Trade receivables includes commercial receivables arising from sales transactions, such as receivables from the sale of goods or provision of services, and receivables from the liquidation or disposal of assets between the Company and the buyer (an entity independent of the seller, rather than an internal unit of the enterprise). These receivables also from export sales proceeds made by a principal through an entrusted party;

For the accounting period ended 30 June 2026

4. ACCOUNTING POLICIES APPLIED (Continued)

Accounting principle of receivables (Continued)

- Other receivables includes non-commercial receivables unrelated to sales transactions, such as receivables of cash dividends and profit distributions, amounts paid on behalf of third parties, amounts paid by an entrusted import-export party on behalf of the entrusting party, borrowings of non-monetary assets, penalties, compensation, shortages of assets pending resolution, etc.

Receivables are presented at their carrying amounts less allowance for doubtful debts. A provision for doubtful debts is recognized when there is any indication or evidence that the Company is unable or unlikely to recover its receivables in accordance with current accounting regulations.

Accounting principle of Inventories

Inventories are measured at the lower of cost and net realizable value. Cost of inventories includes direct materials, direct labor and overheads, if any, that have been incurred in bringing the inventories to their present location and condition or includes costs of purchase and other costs directly attributable to the acquisition of inventories.

The cost of inventories is determined using the weighted average method.

Net realizable value is determined as the estimated selling price less the estimated costs of completion and the costs to be incurred in marketing, selling and distribution. Inventories are accounted for using the perpetual inventory method and are valued at cost using the weighted average method.

An inventories provision is made when there is reliable evidence of a decline in the net realizable value compared to the original cost of the inventory.

Accounting principle and depreciation of Tangible fixed assets

Tangible fixed assets is measured at historical cost less accumulated depreciation. The historical cost of tangible fixed asset comprises of its purchase price and any directly attributable costs to bring the tangible fixed asset into working condition for its intended use.

Tangible fixed assets are depreciated using the straight-line method over their estimated useful lives as follows:

	Years
Buildings and structures	06 - 25 years
Means of transport	06 - 12 years

Accounting principle and depreciation of Intangible fixed assets

The Company's intangible fixed assets are land use rights and computer software, which are stated at cost less accumulated depreciation.

The purchase price of new computer software that is not an integral part of the related hardware is capitalized and accounted for as intangible fixed assets. Computer software is amortized using the straight-line method within 03 years.
