5. The explanation of the difference in profit after corporate income tax for the first half of 2026 compared to the same period in 2025 is as follows:

Unit: VND

| Item                              | The first half of 2026, as audited | The first half of 2025, as audited | Difference      |
|-----------------------------------|------------------------------------|------------------------------------|-----------------|
| (1)                               | (2)                                | (3)                                | (4) = (2) – (3) |
| Profit after corporate income tax | 524,387,988,463                    | 286,700,814,080                    | 237,687,174,383 |

The main reasons for the difference are:

- Gross profit from sales and service provision: increased by VND 227 billion
- Financial profit: increased by VND 28 billion
- Sales and administrative expenses: decreased by VND 17 billion
- Other profits: increased by VND 34 billion
- Corporate income tax increased by VND 68 billion
