*Re: Explanation of the increase/decrease in
profit for Q3 2026 compared with Q3 2025*

SOCIALIST REPUBLIC OF VIETNAM

Tay Ninh, October ~~15~~, 2026

To: Hanoi Stock Exchange

Pursuant to Circular No. 96/2020/TT-BTC dated November 16, 2020 of the Ministry of Finance, providing guidance on information disclosure in the securities market;

Long An Water Supply Sewerage Joint Stock Company hereby provides the following explanation:

1. Profit after corporate income tax in the financial statements for Q3 2026 changed by 10% or more compared with the financial statements for Q3 2025

Unit: VND million

No.	Items	Q3/2026	Q3/2025	Difference	Change (%)
1	Profit after corporate income tax	12,002	8,887	3,115	35.05%

Profit after tax for the reporting period changed by 10% compared with the corresponding period of the previous year. The main reason is that major repair expenses have not yet been finalized, and therefore the related expense amounts have not been fully determined based on the final settlement values. This affects expense recognition and the reported results of business operations for the period. Upon completion of the final settlement process, the expense figures will be reviewed and updated in accordance with applicable regulations, thereby ensuring the accuracy and appropriateness of the reported business results.

The above is the explanation provided by Long An Water Supply Sewerage Joint Stock Company to the Hanoi Stock Exchange and its valued shareholders regarding the change in profit after tax in the Q3 2026 financial statements compared with Q3 2025.
