4. Phone: 028 38262228 Fax : 028 39401580.
5. Explanation content:

Unit: VND

Items	Third quarter 2025	Third quarter 2026	Difference	
	(1)	(2)	(3) = (2)-(1)	(4)=(3)/(1)
Profit before corporate income tax	3,220,487,834	1,971,154,390	(1,249,333,444)	(38.79) %
Profit after corporate income tax	2,560,867,479	1,565,836,912	(995,030,567)	(38.85) %

The reason for the decrease in production and business efficiency in the third quarter of this year compared to the same period in 2025 is due to:

- + The conflict in the Middle East has driven oil prices higher, directly impacting the domestic fishing industry and the market for fishing nets;
- + Input prices of plastic resin have continuously increased in line with rising oil prices.

Yours Sincerely.
