Pursuant to Circular No. 96/2020/TT-BTC dated November 16, 2020, issued by the Ministry of Finance providing guidance on information disclosure on the securities market, Petrolimex Nghe Tinh Transportation and Services Joint Stock Company (the "Company") hereby provides an explanation of the fluctuation in profit reported in its financial statements for the first nine months of 2026 compared with the same period of 2025, as follows:

According to the Company's financial statements for the first nine months of 2026, the Company recorded profit after tax of VND 23,714,226,278, representing an increase of 62% compared with the same period of 2025, when profit after tax amounted to VND 14,018,868,041. The increase was attributable to the following factors:

- The Company expanded into new markets, resulting in an increase in transportation volume compared with the same period of the previous year. Consequently, profit from transportation operations increased, thereby contributing to an improvement in the Company's overall business results.

- Fluctuations in petroleum prices during the first nine months of 2026 had a favorable impact on the Company's overall business results.
