Vietranstimex Multimodal Transport Holding Company (VTX) has submitted the Consolidated Financial Report for 3rd quarter of 2026 to the State Securities Commission, Hanoi Stock Exchange and disclosed information in accordance with regulations.

According to Circular 96/2020/TT-BTC dated November 16, 2020 of the Ministry of Finance guiding the disclosure of information on the stock market. VTX would like to explain the fluctuations in the business results for 3rd quarter of 2026 compared to the report for the same period in 2025, specifically:

No.	Items	Profit and loss statement for the 3 rd quarter of 2026	Profit and loss statement for the 3 rd quarter of 2025	Different	%
I	Consolidated Report				
	Revenue	22,649,428,446	29,160,540,972	(6,511,112,526)	-22%
	Profit after tax	(16,023,541,691)	(10,827,791,014)	(5,195,750,677)	48%
II	Headquarters Report				
	Revenue	16,148,420,599	22,601,648,638	(6,453,228,039)	-29%
	Profit after tax	(15,970,121,453)	(11,159,727,364)	(4,810,394,089)	43%

Net revenue decreased and after-tax profit loss of more than 10% compared to the same period last year due to:

The financial situation in the third quarter of 2026 remained challenging, as high borrowing interest rates led to a significant increase in financial costs, exerting direct pressure on the Company's profitability. Furthermore, while exchange rate volatility and fluctuating fuel prices—exacerbated by complex conflict-related developments—posed additional hurdles, the Company continued its efforts to maintain business and production operations. Profit after tax declined by more than 10% compared to 2025; this was driven by persistent fixed labor costs and asset depreciation expenses, coupled with the ongoing suspension of wind power projects. These factors reduced resource utilization efficiency, ultimately resulting in a decline in both revenue and profit after tax.

The above are the main activities affecting the revenue and profit after tax of the financial report for the 3rd quarter of 2026 compared to the financial report for the same period of 2025. VTX commits that the content of this document is truthful and accurate.

Best regards!
