Re: *Explanation for a change of more than
10% in profit after tax compared to the
same period of the previous year*

To: - State Securities Commission;
- Hanoi Stock Exchange.

Hanoi Education Investment and Development Joint Stock Company (HEID) has submitted its separate and consolidated financial statements for Quarter 3/2026 to the State Securities Commission and the Hanoi Stock Exchange in accordance with regulations on information disclosure in the securities market.

According to the figures presented in the aforementioned financial statements, the profit after tax for Quarter 3/2026, as reported in both the separate and consolidated financial statements, increased by more than 10% compared to the same period in 2025. The Company hereby provides an explanation for this change as follows:

The primary reason for the increase in profit after tax for Quarter 3/2026 compared to the same period in 2025 was the increase in the Company's net revenue from sales of goods and rendering of services during the period compared to the same period, contributing to the increase in profit after tax in the separate and consolidated financial statements.

Hanoi Education Investment and Development Joint Stock Company respectfully submits this report and explanation for the information of the State Securities Commission, the Hanoi Stock Exchange, and investors.
